Cell Authentication Testing Service

STR Profiling Order Form

Please complete this form and include it with your shipment.

Hazard Statement *(signature required)*
ATCC does not accept cultures containing HIV or Biosafety Level 3 or 4 agents for STR testing. To the best of my knowledge the cell cultures listed on this form are free of any materials or agents hazardous to humans or animals and are free of animal byproducts. **Printed Name:_____Signature:_____Date:_____**

Samples should be prepared according to Sample Preparation Instructions and mailed to:

ATCC
ATTN: Cell Authentication Testing Service, L236
10801 University Blvd.
Manassas, VA 20110 USA

Test Results

1. Results will be emailed within 5 business days from receipt of sample and approval of order.
2. Upon request, a written copy of the report will be faxed or mailed to the client who has requested this service.

For questions about your sales order please contact: STRtesting@atcc.org or ATCC Customer Service at or 800-638-6597 (choose option 2). For technical questions, please contact ATCC Technical Service at tech@atcc.org
