Description

Designation: YEp13

Media:

ATCC® Medium 1227: LB Medium (ATCC medium 1065) with 50 mcg/ml ampicillin

Conditions

Temperature: 37.0°C

Vector Information

Size (kb): 10.6669998168945300

Vector: YEp13 (plasmid)

Promoters: Promoter none

Construction: pBR322, *Saccharomyces cerevisiae* LEU2, 2 micron ori

Marker(s): LEU2, ampR, tetR

Construct size (kb): 10.66699981689453

Features: marker(s): LEU2

marker(s): ampR

marker(s): tetR

promoter: none

replicon: 2 micron

replicon: pMB1

terminator: none

enhancer: none

Biosafety Level: 1

Appropriate safety procedures should always be used with this material. Laboratory safety is discussed in the current publication of the *Biosafety in Microbiological and Biomedical Laboratories* from the U.S. Department of Health and Human Services Centers for Disease Control and Prevention and National Institutes for Health.

ATCC Warranty

The viability of ATCC® products is warranted for 30 days from the date of shipment, and is valid only if the product is stored and cultured according to the information included on this product information sheet. ATCC lists the media formulation that has been found to be effective for this strain. While other, unspecified media may also produce satisfactory results, a change in media or the absence of an additive from the ATCC recommended media may affect recovery, growth and/or function of this strain. If an alternative medium formulation is used, the ATCC warranty for viability is no longer valid.

Disclaimers

This product is intended for laboratory research purposes only. It is not intended for use in humans.

While ATCC uses reasonable efforts to include accurate and up-to-date information on this product sheet, ATCC makes no warranties or representations as to its accuracy. Citations from scientific literature and patents are provided for informational purposes only. ATCC does not warrant that such information has been confirmed to be accurate.

This product is sent with the condition that you are responsible for its safe storage, handling, and use. ATCC is not liable for any damages or injuries arising from receipt and/or use of this product. While reasonable effort is made to insure authenticity and reliability of strains on deposit, ATCC is not liable for damages arising from the misidentification or misrepresentation of cultures.

Please see the enclosed Material Transfer Agreement (MTA) for further details regarding the use of this product. The MTA is also available on our Web site at www.atcc.org

Product Sheet

YEp13 (ATCC® 37115™)

Please read this FIRST

A black rectangular graphic with white text and icons. The top section features a thermometer icon, the text "Storage Temp.", and the instruction "Conditions: Store unopened frozen vial at -80°C." The bottom section features a biohazard icon, the text "Biosafety Level", and the number "1". A dotted line separates the two sections.

Intended Use

This product is intended for research use only. It is not intended for any animal or human therapeutic or diagnostic use.
