Description

This is a high copy number shuttle expression vector. One of 32 yeast expression vectors (ATCC#87354-87385) differing in promoter (GPD, TEF, ADH, CYC1), selection marker (HIS3, TRP1, LEU2, URA3) and replicon (CEN6/ARSH4, 2 micron). This plasmid, p423 ADH, has the ADH promoter, the HIS3 marker and the yeast 2 micron replicon. The wild type ADH promoter is active when cells are grown in glucose media but can be repressed 2-10 fold on non-fermentable carbon sources.

Designation: p423 ADH

Media:

ATCC® Medium 1227: LB Medium (ATCC medium 1065) with 50 mcg/ml ampicillin

Conditions

Temperature: 37.0°C

Vector Information

Size (kb): 7.529

Vector: p423 ADH (plasmid)

Promoters: Promoter for expression ADH

Construction: pRS423

Marker(s): ampR, HIS3

Construct size (kb): 7.529

Features: marker(s): HIS3

marker(s): ampR

promoter for expression: ADH

replicon: 2 micron

MCS: XhoI...XbaI

terminator: CYC1

Terminator: CYC1

References

References and other information relating to this product are available online at www.atcc.org.

Notes

Restriction digests of the vector gave the following sizes (in kb): BamHI 7.6 ; EcoRI 7.6 ;
SacI/XbaI 3.2, 2.8, 1.5.
ATCC Staff

Biosafety Level: 1

Appropriate safety procedures should always be used with this material. Laboratory safety is discussed in the current publication of the *Biosafety in Microbiological and Biomedical Laboratories* from the U.S. Department of Health and Human Services Centers for Disease Control and Prevention and National Institutes for Health.

ATCC Warranty

The viability of ATCC® products is warranted for 30 days from the date of shipment, and is valid only if the product is stored and cultured according to the information included on this product information sheet. ATCC lists the media formulation that has been found to be effective for this strain. While other, unspecified media may also produce satisfactory results, a change in media or the absence of an additive from the ATCC recommended media may affect recovery, growth and/or function of this strain. If an alternative medium formulation is used, the ATCC warranty for viability is no longer valid.

Disclaimers

This product is intended for laboratory research purposes only. It is not intended for use in humans.

While ATCC uses reasonable efforts to include accurate and up-to-date information on this product sheet, ATCC makes no warranties or representations as to its accuracy. Citations from
