## Description

**Strain:** Cornell-780916-80  
**Classification:** *Parvoviridae*, *Parvovirus*, Feline panleukopenia virus  
**Original Source:**  
Intestinal contents of beagle pups with severe enteritis  
**Depositor:** Cornell Res. Fndn., Inc.

## Batch-Specific Information

Refer to the Certificate of Analysis for batch-specific test results.

## Propagation

**Propagation Host:**  
dog kidney cells  
**Recommended Host:** A-72 (ATCC® CRL-1542)  
feline lung in tissue culture; CRFK cells (ATCC CCL-94); mink lung cells (ATCC CCL-64); MDCK cells (ATCC CCL-34); A-72 cells (ATCC CRL-1542)

**Effect on Host:**  
Yes, in vitro effects: Cytopathic effects in tissue culture

**Medium:**  
Virus growth medium: M-199 + 7.5% FBS (ATCC® 30-2020™)

**Growth Conditions**  
**Temperature:** 33.0°C  
**Duration:** 3-5 days

## Comments

Reconstitute freeze-dried vials to 1 mL with distilled water. Reduced virulence variant obtained by multiple passages at 33°C as per depositor. Virus agglutinates pig and rhesus monkey erythrocytes. NOTE: This material is cited in a U.S. and/or other patent applications and may not be used to infringe the patent claims.

### Intended Use

This product is intended for research use only. It is not intended for any animal or human therapeutic or diagnostic use.

### Citation of Strain

If use of this culture results in a scientific publication, it should be cited in that manuscript in the following manner: Canine parvovirus (ATCC® VR-2017™)

The viability of ATCC® products is warranted for 30 days from the date of shipment, and is valid only if the product is stored and cultured according to the information included on this product information sheet. ATCC lists the media formulation that has been found to be effective for this strain. While other, unspecified media may also produce satisfactory results, a change in media or the absence of an additive from the ATCC recommended media may affect recovery, growth and/or function of this strain. If an alternative medium formulation is used, the ATCC warranty for viability is no longer valid.

### Disclaimers

This product is intended for laboratory research purposes only. It is not intended for use in humans.

While ATCC uses reasonable efforts to include accurate and up-to-date information on this product sheet, ATCC makes no warranties or representations as to its accuracy. Citations from scientific literature and patents are provided for informational purposes only. ATCC does not warrant that such information has been confirmed to be accurate.

This product is sent with the condition that you are responsible for its safe storage, handling, and use. ATCC is not liable for any damages or injuries arising from receipt and/or use of this product. While reasonable effort is made to insure authenticity and reliability of strains on deposit, ATCC is not liable for damages arising from the misidentification or misrepresentation of cultures.

Please see the enclosed Material Transfer Agreement (MTA) for further details regarding the use of this product. The MTA is also available on our Web site at [www.atcc.org](http://www.atcc.org)

Additional information on this culture is available on the ATCC web site at [www.atcc.org](http://www.atcc.org).
