Description

Strain: IHD-W

Classification: *Poxviridae, Orthopoxvirus*

Original Source:

The IHD-W subtype was derived in Japan from IHD-J strain of vaccinia by selection for the ability to induce distinct clear plaques in culture.

Depositor: S Dales

Batch-Specific Information

Refer to the Certificate of Analysis for batch-specific test results.

Propagation

Propagation Host:

L2 cells (ATCC CCL-149); chicken embryo fibroblasts

Host of Choice: L2 and CEF

Host Range: most mammalian cells and tissues
most mammalian cells and tissues

Effect on Host:

Yes, in vitro effects: Cytopathic effects in tissue culture
CPE

Growth Conditions

Duration: 1-5 days at 37C

Comments

IHD-W is the strain used by Dales to develop a large group of its mutants in the 70s. IHD-W differs from the IHD-J parent strain, in that IDH-W is unable to induce an active hemagglutinin in the plasma membrane and does elicit polykaryocytosis.

References

References and other information relating to this product are available online at www.atcc.org.

Key Abbreviations

CPE: cytopathic effect
FBS: fetal bovine serum
TC: tissue culture
CEF: chicken embryo fibroblasts
TCID: tissue culture infectious dose

Biosafety Level: 2

Appropriate safety procedures should always be used with this material. Laboratory safety is discussed in the current publication of the Biosafety in Microbiological and Biomedical Laboratories from the U.S. Department of Health and Human Services Centers for Disease Control and Prevention and National Institutes for Health.

ATCC Warranty

The viability of ATCC® products is warranted for 30 days from the date of shipment, and is valid only if the product is stored and cultured according to the information included on this product information sheet. ATCC lists the media formulation that has been found to be effective for this strain. While other, unspecified media may also produce satisfactory results, a change in media or the absence of an additive from the ATCC recommended media may affect recovery, growth and/or function of this strain. If an alternative
