Description

Strain: AV-2732

Classification: Adenoviridae, Mastadenovirus, Human adenovirus D

Original Source:

Conjunctival scrapings from child with trachoma, Saudi Arabia, 1956

Depositor: SD Bell

Batch-Specific Information

Refer to the Certificate of Analysis for batch-specific test results.

Propagation

Propagation Host:

Chang C cells (ATCC CCL-20.2)

Host of Choice: Chang C cells

Host Range: Chang C, HeLa, KB, HEK and other human cell lines

Chang C cells (ATCC CCL-20.2); HeLa cells (ATCC CCL-2); KB cells (ATCC CCL-17); human embryonic kidney cells

Effect on Host:

Yes, in vitro effects: Cytopathic effects in tissue culture

CPE

Growth Conditions

Duration: Prolonged

Comments

Replicates very slowly. Agglutinates rat RBC.

References

References and other information relating to this product are available online at www.atcc.org.

Key Abbreviations

(define all abbreviations used on master product sheet and batch product sheet)

Chang C, Chang conjunctiva cells

CPE, cytopathic effect

HEK, human embryo kidney

HeLa, human cervical carcinoma cells

KB, human oral epidermoid carcinoma cells

LN, human lymph node cells

MEM, minimum essential medium (Eagle)

RBC, red blood cells

TC, tissue culture

TCID₅₀, median tissue culture infective dose

Intended Use

This product is intended for research use only. It is not intended for any animal or human therapeutic or diagnostic use.

Citation of Strain

If use of this culture results in a scientific publication, it should be cited in that manuscript in the following manner: Human adenovirus 23 (ATCC® VR-258™)

product is stored and cultured according to the information included on this product information sheet. ATCC lists the media formulation that has been found to be effective for this strain. While other, unspecified media may also produce satisfactory results, a change in media or the absence of an additive from the ATCC recommended media may affect recovery, growth and/or function of this strain. If an alternative medium formulation is used, the ATCC warranty for viability is no longer valid.

Disclaimers

This product is intended for laboratory research purposes only. It is not intended for use in humans. While ATCC uses reasonable efforts to include accurate and up-to-date information on this product sheet, ATCC makes no warranties or representations as to its accuracy. Citations from scientific literature and patents are provided for informational purposes only. ATCC does not warrant that such information has been confirmed to be accurate.

This product is sent with the condition that you are responsible for its safe storage, handling, and use. ATCC is not liable for any damages or injuries arising from receipt and/or use of this product. While reasonable effort is made to insure authenticity and reliability of strains on deposit, ATCC is not liable for damages arising from the misidentification or misrepresentation of cultures.

Please see the enclosed Material Transfer Agreement (MTA) for further details regarding the use of this product. The MTA is also available on our Web site at www.atcc.org

Additional information on this culture is available on the ATCC web site at www.atcc.org.
