## Description

**Strain:** New Jersey

**Classification:** Reoviridae, Orbivirus

**Original Source:**

Pool of blood, spleen, liver, kidney of dead *Odocoileus virginianus*, New Jersey, 1955

**Depositor:** RE Shope

## Batch-Specific Information

Refer to the Certificate of Analysis for batch-specific test results.

## Propagation

**Propagation Host:**

suckling mouse, i.c. inoculation or i.p. inoculation

**Host of Choice:** sM (i.c., i.p.)

**Host Range:** sM (i.c., i.p.), deer, HeLa TC

suckling mouse, i.c. or i.p. inoculation; deer; HeLa cells (ATCC CCL-2)

**Effect on Host:**

Yes, in vivo effects: causes death in host animal

Death

## Growth Conditions

Duration: 8-11 days

## Comments

No HA produced. Related but not identical to South Dakota strain of EHD isolated in 1956

## References

References and other information relating to this product are available online at [www.atcc.org](http://www.atcc.org).

## Key Abbreviations

BSA, bovine serum albumin

HA, hemagglutination

HeLa, human cervical carcinoma cells

i.c., intracerebral

i.p., intraperitoneal

LD[50], lethal median dose

PBS, phosphate buffered saline

sM, suckling mouse

sMb, suckling mouse brain

TC, tissue culture

**Intended Use**

This product is intended for research use only. It is not intended for any animal or human therapeutic or diagnostic use.

**Citation of Strain**

If use of this culture results in a scientific publication, it should be cited in that manuscript in the following manner: Epizootic hemorrhagic disease virus (ATCC® VR-419™)

lists the media formulation that has been found to be effective for this strain. While other, unspecified media may also produce satisfactory results, a change in media or the absence of an additive from the ATCC recommended media may affect recovery, growth and/or function of this strain. If an alternative medium formulation is used, the ATCC warranty for viability is no longer valid.

**Disclaimers**

This product is intended for laboratory research purposes only. It is not intended for use in humans. While ATCC uses reasonable efforts to include accurate and up-to-date information on this product sheet, ATCC makes no warranties or representations as to its accuracy. Citations from scientific literature and patents are provided for informational purposes only. ATCC does not warrant that such information has been confirmed to be accurate.

This product is sent with the condition that you are responsible for its safe storage, handling, and use. ATCC is not liable for any damages or injuries arising from receipt and/or use of this product. While reasonable effort is made to insure authenticity and reliability of strains on deposit, ATCC is not liable for damages arising from the misidentification or misrepresentation of cultures.

Please see the enclosed Material Transfer Agreement (MTA) for further details regarding the use of this product. The MTA is also available on our Web site at [www.atcc.org](http://www.atcc.org)

Additional information on this culture is available on the ATCC web site at [www.atcc.org](http://www.atcc.org).
