Description

Strain: N-71851

Classification: Herpesviridae, Iltovirus

Original Source:

Trachea and lungs of a chicken with respiratory rales

Depositor: LE Hanson

Batch-Specific Information

Refer to the Certificate of Analysis for batch-specific test results.

Propagation

Propagation Host:

chicken embryo; chicken embryo fibroblasts in tissue culture

Effect on Host:

Plaque formation on chorioallantoic membranes

Death of embryo

Growth Conditions

Incubation: 5-7 days

Comments

Little or no cross-neutralization with herpes simplex virus. No hemagglutination activity. This strain is similar but not identical to Lederle strain.

References

References and other information relating to this product are available online at www.atcc.org.

Key Abbreviations

CE, chicken embryo

TC, tissue culture

USDA, United States Department of Agriculture

Biosafety Level: 2

Appropriate safety procedures should always be used with this material. Laboratory safety is discussed in the current publication of the *Biosafety in Microbiological and Biomedical Laboratories* from the U.S.

Department of Health and Human Services Centers for Disease Control and Prevention and National Institutes for Health.

ATCC Warranty

The viability of ATCC® products is warranted for 30 days from the date of shipment, and is valid only if the product is stored and cultured according to the information included on this product information sheet. ATCC lists the media formulation that has been found to be effective for this strain. While other, unspecified media may also produce satisfactory results, a change in media or the absence of an additive from the ATCC recommended media may affect recovery, growth and/or function of this strain. If an alternative medium formulation is used, the ATCC warranty for viability is no longer valid.

Disclaimers

This product is intended for laboratory research purposes only. It is not intended for use in humans. While ATCC uses reasonable efforts to include accurate and up-to-date information on this product sheet, ATCC makes no warranties or representations as to its accuracy. Citations from scientific literature and patents are provided for informational purposes only. ATCC does not warrant that such information has been confirmed to be accurate.

This product is sent with the condition that you are responsible for its safe storage, handling, and use. ATCC
