

Product Sheet

Simian virus 40 (ATCC® VRMC-11™)

Simian virus 40

Please read this **FIRST**

Intended Use

This product is intended for research use only. It is not intended for any animal or human therapeutic or diagnostic use.

Citation of Strain

If use of this culture results in a scientific publication, it should be cited in that manuscript in the following manner: *Simian virus 40* (ATCC® VRMC-11™)

Description

Designation: pUCSVH388-16 [molecular clone of Simian virus 40, SV-40]

Notes

Isolated from peripheral blood mononuclear cell DNA of animal H388. Plasmid might dimerize; restriction pattern won't change. Clone with identical regulatory region (H388-13) was also isolated from brain of animal H388.

DEPOSITED ON BEHALF OF: Drs. John A. Lednicky and Janet Butel

Distributed In

E. coli

Insert Information

DNA: genomic
Insert lengths(kb): 5.206999778747559
Tissue: monkey peripheral blood mononuclear cell

Vector Information

Construct size (kb): 7.89300012588501
DESCRIPTION OF VECTOR COMPONENT
Type of vector: *E. coli*
Name of vector: pUC-19
Intact vector size (kb): 2.686 kb

Propagation

Growth Conditions
Temperature: 37.0°C

Medium
ATCC® Medium 1227: LB Medium (ATCC medium 1065) with 50 mcg/ml ampicillin

References

References and other information relating to this product are available online at www.atcc.org.

Biosafety Level: 2

Appropriate safety procedures should always be used with this material. Laboratory safety is discussed in the current publication of the *Biosafety in Microbiological and Biomedical Laboratories* from the U.S. Department of Health and Human Services Centers for Disease Control and Prevention and National Institutes for Health.

ATCC Warranty

The viability of ATCC® products is warranted for 30 days from the date of shipment, and is valid only if the product is stored and cultured according to the information included on this product information sheet. ATCC lists the media formulation that has been found to be effective for this strain. While other, unspecified media may also produce satisfactory results, a change in media or the absence of an additive from the ATCC recommended media may affect recovery, growth and/or function of this strain. If an alternative medium formulation is used, the ATCC warranty for viability is no longer valid.

Disclaimers

This product is intended for laboratory research purposes only. It is not intended for use in humans. While ATCC uses reasonable efforts to include accurate and up-to-date information on this product sheet, ATCC makes no warranties or representations as to its accuracy. Citations from scientific literature and patents are provided for informational purposes only. ATCC does not warrant that such information has been confirmed to be accurate.
