**Strain:** A/PR/8/34  
**Classification:** Orthomyxoviridae, Influenzavirus A  
**Original Source:** Patient in Puerto Rico, 1934  
**Depositor:** WA Chappell, M Coleman, Center for Disease Control and Prevention; ATCC

**Propagation**

**Specific Pathogen Free chicken embryonated eggs, 10-11 days**

**Effect on Host:**
Hemagglutinates chicken red blood cells and possible death of chicken embryo

**Growth Conditions**

**Temperature:** 35°C

**Recommendations for Infection:** Dilute virus in D-PBS prior to inoculation.

**Incubation:** 2-3 days in a humidified atmosphere

**ATCC Warranty**

The viability of ATCC® products is warranted for 30 days from the date of shipment, and is valid only if the product is stored and cultured according to the information included on this product information sheet. ATCC lists the media formulation that has been found to be effective for this strain. While other, unspecified media may also produce satisfactory results, a change in media or the absence of an additive from the ATCC recommended media may affect recovery, growth and/or function of this strain. If an alternative medium formulation is used, the ATCC warranty for viability is no longer valid.

**Disclaimers**

This product is intended for laboratory research purposes only. It is not intended for use in humans. While ATCC uses reasonable efforts to include accurate and up-to-date information on this product sheet, ATCC makes no warranties or representations as to its accuracy. Citations from scientific literature and patents are provided for informational purposes only. ATCC does not warrant that such information has been...
confirmed to be accurate.
This product is sent with the condition that you are responsible for its safe storage, handling, and use. ATCC is not liable for any damages or injuries arising from receipt and/or use of this product. While reasonable effort is made to ensure authenticity and reliability of strains on deposit, ATCC is not liable for damages arising from the misidentification or misrepresentation of cultures.

Please see the enclosed Material Transfer Agreement (MTA) for further details regarding the use of this product. The MTA is also available on our Web site at www.atcc.org.
